Are you hiding your baby? *Don't Panic*

State law says: You can leave your unharmed newborn, up to 3 days old, with an employee at any hospital, manned fire station or Federally Designated Rural Health Clinic in the state. Tell the hospital employee that you want to leave your baby with Safe Place for Newborns. Your baby will be given any needed medical attention, then placed in foster care for adoption.

It's confidential -
you don't even have to leave your name.

Your baby is counting on you.

*Don't abandon your baby -
keep your baby safe.*
