

Grant County Fire Protection District 3

POLICY AND PROCEDURE

1. NUMBER: 2.2.1
2. SUBJECT: *Service Delivery Level - Fire Suppression*
3. POLICY: In order to meet its Mission and fulfill statutory requirements, Grant County Fire District 3 will provide fire suppression services using the ground mobile equipment as described in this Policy and Procedure.
4. SCOPE: This Policy and Procedure is applicable to all personnel of Grant County Fire District 3.
5. RESPONSIBILITIES:
 - A. It shall be the responsibility of the Board of Commissioners and the District Fire Chief to enforce this policy and procedure.
6. PROCEDURE:
 - A. Class "A" triple combination engines for the suppression of structure fires. This does not include aerial apparatus.
 - B. Four-wheel drive wildland engines for the suppression of field fires, grass fires, and for other situations where the larger Class "A" engines are unable to go.
 - C. Tenders, for the purpose of shuttling water in areas where there are no fire hydrants or other areas where water supplies are not adequate.
 - D. Command vehicles for the purpose of coordinating and commanding incidents. These vehicles shall also have multi-radio frequency capabilities to provide communications with other agencies that may assist us or to which we may provide assistance.
 - E. The fire suppression capabilities of Fire District 3 do not include the use of aerial apparatus; however, this type of equipment could be made available through mutual aid from other agencies. The District will direct aircraft activities used in conjunction with incidents it is responsible for incident command.
 - F. Grant County Fire District 3 does not own or operate aircraft for fire suppression or rescue activities.
